Motion FOR EN-BANC Reconsideration & clarification  
Motion to Intervene as Plaintiffs under Fed R. Civ Rule 24(A)2, 24(B)  
Motion FOR Amicus curiae Brief, friend of the court

Comes Now the intervenors, movants Jonathan Lee Riches d/b/a Gordon Gekko; Vincent DRAGONETTI; Steven IARIA; Mario Cassarino, moves this honorable court to intervene in this case as Plaintiffs under Fed R. Civ P rule 24(A)2 - as a matter of right, or under rule 24(B) - permissive intervention, as intervenors have a interest in this case against Blizzard Entertainment Inc and their world of Warcraft video games which caused Intervenor's to commit federal crimes. World of Warcraft caused Riches mind to live in a virtual universe, where Riches explored the landscape committing identity theft and fighting cyber-monster rival hacker gangs. Riches was addicted to video games and lost touch with reality because of defendants. This caused Riches to commit fraud to buy defendants video games. Riches chose world of Warcraft over working a legit job, Riches mind became a living video game. I hold defendants liable and support Plaintiffs. I move for Amicus Curiae, I can provide this court with my medical charts, credit card receipts of buying their video games with fraud. I have newly discovered evidence. I pray this court will grant Intervenor's motions for relief.
