

Sean Kanuck

DEF CON 25

**Hacking Democracy :
A Socratic Dialogue**

How do you know

if your vote was

recorded correctly

**Which is more
important to you :
secrecy or verification**

**How much error
is too much for
legitimacy**

**Were you on the
right list**

**Were you in the
right place**

Does the process

impact you

more than others

**Who decides what
becomes news**

**Which runner is
in the lead**

Is the playing field

made of natural

or artificial turf

**How much
free speech
is too much**

Can foreign guests

join the party

**Is this an
invitation to a
masquerade ball**

**Which innocent
victims deserve
protection**

**Are they required
to accept help . . .
from their opponent**

Is any of this

actually

new at all

Can two rights

make a wrong
