Dragnet
Your Social Engineering Sidekick

Truman Kain
TEVORA
Your social engineering conversions will increase with Dragnet.
Current States of:

- OSINT
- Analytics
- S.E. Engagements
OSINT

- Manual
- Repetitive
- Fleeting when automated
Analytics

Big companies live off of it
“3 years ago I was working at a **quantitative** hedge fund when I came across a startling statistic...”

—Jeff Bezos, 1997
Analytics

You’re ignoring it
S.E. Engagements

Effective    Quick

Inexpensive

Choose Two One.
FINE SPEECH
NOW WHAT DO WE DO?
Dragnet

- OSINT
- Automation
- Machine Learning
- Open-Source
The Stack

TensorFlow

Firebase

Vue.js
Dragnet OSINT

1. Import Targets
2. Keep your hands near the wheel
Dragnet Automation

- OSINT Gathering*
- Infrastructure Deployment
- Campaign Execution
- Data Correlation
Dragnet ML

P (creds | target, template)

Predictions

DNN Classifier
