What does it mean to be part of the DEF CON & Hacker Community?
Myth VS Reality
Perceptions

How long will it take to fix any problems we find in our beta product?

It is logically impossible to schedule for the unknown.

Try to think as a manager, not as an engineer.

In that case, we'll fix the problems before we find them.

Now let’s learn from others

Discussion and Questions????

Or several minutes of uncomfortable silence it’s your choice.

This concludes my presentation Thank You!!!
